

Parental Consent for High/High Risk Sports

COVID-19 Informed Consent for Participation Form

Student Name: _____

Parent Name: _____

Sport/Athletic Activity: _____

By signing below:

- I agree that my child's participation in the above sport/activity is conditioned upon his/her compliance with all policies and rules governing student participation in extracurricular activities; the District's preparedness plan for that sport/activity; full cooperation with all case/contact investigations; and compliance with all isolation/quarantine requirements.

- I also attest that I have read and understand the risks of my child's participation as described below.
 - Participation in the higher-risk sport places the student-athlete at risk of exposure to SARS-CoV-2 ("COVID-19").
 - Symptomatic and asymptomatic individuals can spread the virus.
 - Masking, distancing, and other mitigation measures reduce, but do not eliminate risk.
 - At present, it cannot be predicted who will become severely ill if infected. SARS-CoV-2 ("COVID-19") can lead to serious medical conditions and death for people of all ages.
 - The long-term effects of SARS-CoV-2 ("COVID-19") are, at present, unknown; even people with mild cases may experience long-term complications.
 - There is a significant risk of transmission to those in the home of infected student-athletes.
 - Older people and people with underlying health conditions are at higher risk of serious disease.

I consent to my child's participation in the above referenced sport/activity and voluntarily assume the risks inherent to that sport/activity, some of which are described above. My consent will remain in effect unless rescinded by me in writing.
