In addition, on the first day of school, please send in a complete change of labeled clothing, plus extra underwear, socks and pants if your child is still training. If your child is using pull-ups, I would like you to send him/her into school wearing a pair of underwear underneath the pull-up to be changed as needed at school. Of course, many pairs of underwear will be needed if this is the case, as well as a package of pull-ups and an additional box of baby wipes.

Last year was the most challenging school year we have ever had, and we got through it. I can't wait to start this next year, and I have great hope that this year will be the year we all appreciate each other more than ever before. Hooray to the 21-22 school year!!! See you all soon.

Sincerely,

Claire McDonnell
