Thank you in advance for your support in putting together these supplies.

In addition, on the first day of school, please send in a complete change of labeled clothing, plus extra underwear, socks and pants if your child is still training. If your child is using pull-ups, I would prefer that you send him/her to school wearing a pair of underwear underneath the pull-up to be changed as needed at school. Certainly, many pairs of underwear will be needed if this is the case, as well as a package of pull-ups and an additional box of baby wipes.

These last two and a half years of school have been the most challenging school years we have ever had. I am looking forward to a regular year for 22-23. This new school year is another year of new students and wishes for things to be back to normal. As we all appreciate and take care of each other more and more. Have a wonderful rest of the summer. See you all soon.

Sincerely, *Claire McDonnell*
