

## 2019 Science Olympiad Regional Results

On February 2nd, 45 students from Fox Lane High School competed in the Lower Hudson Valley Regional Competition. The day was a success! Students from Fox Lane, working in pairs, earned 22 medals. After enjoying the satisfaction of earning medals for the events, the team was thrilled to find out that Fox Lane was 5th place overall out of 47 teams from our region. This is the 6<sup>th</sup> time in eight years our school has qualified for the New York State competition. Approximately 50 teams from throughout the state will now compete on March 15th and 16th at Le Moyne College in Syracuse NY.

The following students earned medals for a top 10 finish.
