

LEND A HELPING HAND TO WPESA

for 2019-2020 (It takes a village!)

Contact Bridget McNamee - BridgetWPESA@gmail.com or Audrey Weiner - audrey.wpesa@gmail.com with any interest or questions!

The WPESA Directory needs you!

This online directory is a valuable resource to the entire school community! The chair (or co-chairs) enter Kindergartners and new students' contact information into the system in the fall. Current students need to be moved to their new teachers & grade at the beginning of the school year.

All done online. (mostly in September & October)

WPESA Mother's and Father's Day Boutique needs a co-chair!

Know any local businesses? This is a win-win and comes full circle! Get the kids to buy lovely gifts and appreciate parents on Mother's Day and Father's Day ... and also raise funds to appreciate and enrich kids (almost 3K)!

WPESA Pancake Breakfast Auction needs a co-chair & Business Ads Coordinator!

This is WPESA's biggest fundraiser and a special one for our 5th graders! Help WPESA members enjoy a delicious breakfast served by our incredible 5th graders and some yummy helpings of sponsorship too! This event could use as much help as it can get and helps raise a whopping 5.5K for the kids to digest over the year!

Steering Committee needs new members and the Treasurer needs a partner! (multiple positions)

The Steering Committee meets monthly (in the evening) to discuss WPESA business including West Patent events and fundraising efforts! We're a pretty fun group, and we're all working parents.

The co-treasurer would ideally have accounting/bookkeeping knowledge. We have books and need your help!

K Bus Ride Chair

In preparation for the first day of school, arrange and organize volunteers for morning greeters at West Patent and afternoon bus monitors/chaperones to ride the buses with the Kindergartners on their first half-day at West Patent. This one is full of lots of little people & big smiles

Spirit Wear Coordinator

Want to help sell WPES swag? T-shirts, water bottles, shorts, hoodies and more!

Spirit wear is a fun fundraising opportunity for WPESA and a great way to show your school spirit.

Help place orders and arrange sales at a variety of WPESA events during the school year.

Now for the serious question... what happens with all these funds? The answer: Learning Garden, Class Trips, Author Visits, classroom supplies, back to school and end of year socials, several other schoolwide Enrichment activities and so much more!
