

Books for Buddies is Coming

West Patent Elementary School students and staff are collecting *gently-used books* for elementary schools impacted by Hurricane Michael and the wildfires in California.

WPES students donating a gently used book are requested to bring a book that would be appropriate for a child in the same grade level.

K-1: a simple picture book
Grades 2-3: a simple chapter book
Grades 4-5: a chapter book

Please also consider donating **ANY KIND** of wrapping paper. The wrapping paper will be used to turn the books into beautiful presents for our friends in Florida and California.

WPES buddy classes will wrap the books during our 'Books for Buddies' Service Project.

DUE DATE

November 27, 2018

"If you find it in your heart to care for somebody else, you will have succeeded."

-Maya Angelou
