7th Grade Capstone Community Day

Dear Parents and Guardians,

7th grade students had an amazing opportunity this year to connect their learning across the content areas. Most recently, students extended their learning by visiting the New York State capital at Albany.

As a culminating experience, students are preparing final products in each of the content areas that connect the overarching themes of the year - making positive changes in their communities by becoming engaged and informed citizens. These themes are embodied by Salva Dut in the book *A Long Walk to Water* by Linda Sue Park.

We would like to invite you to Fox Lane Middle School from 9:00AM -10:00AM on the following days to see students' work:

South House - Wednesday, June 20th

East and West House - Thursday, June 21st

Please click on the link for your child's House to pre-register for the event. Please R.S.V.P. by Friday, June 15th so that we can prepare for your visit.
