

Práctica de Gramática

Para estudiantes que saltan del nivel 4 a AP

**** A Repaso workbook is required for this assignment. Please pick one up in the World Language office by the end of the school year.**

To make up for grammatical concepts and vocabulary that was presented and reviewed during Spanish 5, please complete the following chapters in the workbook Repaso. Complete the indicated exercises in the workbook, highlight model sentences and examples, and study all of this material. The workbook pages should be ripped out, neatly organized, and will be collected on the first day of school.
