

Dear Incoming 6<sup>th</sup> Grade Parents/Guardians,

We cannot wait to meet your child during Open House and school visits this month! You should have already received the flyer reminding you about Open House this morning.

We have also created video vignettes about life at FLMS. We encourage you to watch these short video clips with your child as often as you would like. This will help prepare you and your child for an amazing adventure at FLMS. <https://sites.google.com/student.bcsdny.org/6th-grade-videos/6th-grade-orientation>
