

Reporting Student Absence/Lateness

If you are reporting a **student absence/lateness** please **call the FLMS attendance line at 914-241-6143**. If you call the main office or the House secretaries directly, there is no guarantee that the absence will be recorded in time to avoid the robo calls that go out to parents/guardians. We strongly encourage you to use the **FLMS attendance line 914-241-6143** set up for just this reason.

Thank you for your cooperation.
