2019-2020 School Year Immunization Requirement for Meningococcal Vaccine

August 2019

Dear Parent/Guardian,

All 7th grade students MUST HAVE proof of having been given the meningococcal vaccine (shot) in order to attend school.

- Students entering **Grade 7 in 2019 must have 1 dose** of meningococcal vaccine. They will be required to get a booster at age 16.

New York State law requires parents/guardians to give the school an immunization record that shows their child has received, or has an appointment to receive the required vaccine in order to attend school. This record may be from a health care provider, health department, or an official immunization record from the child's former school. The record must include:

1. Name of the vaccine
2. Date vaccine given
3. Who gave it, along with their title; or where it was given if at a clinic

Please contact your health care provider to make sure your child has what they need to attend school this fall.

If you have questions or concerns about immunizations, please contact the Health Office.

Sincerely,

Barbara Ingraldi, RN, MSN
Fox Lane Middle School Nurse
