## **Options for Families Registering Kindergarteners in BCSD**

### **Mount Kisco Elementary School Opens Its Doors to All District Students Beginning in Kindergarten**

Mount Kisco Elementary School is one of Bedford Central School District's five elementary schools. MKES hosts the District's Dual Language Bilingual Education Program, or DLBE, which presently begins in Grade 1. Families who are interested in DLBE in the future may now enroll their child in kindergarten at MKES for the 2020-2021 school year.

MKES will host an evening information session as well as building tours for interested parents early next year. Please consider attending these events to learn more about DLBE as well as the unique kindergarten experience offered at MKES.

#### **Dual Language Bilingual Education Information Session @ MKES Thursday, January 23, 2020 @ 7:00 PM**

#### **Mount Kisco Elementary School Building Tours Thursday, February 6, 2020 9:30 - 10:45 AM or 1:15 - 2:30 PM**

Families who are interested in enrolling their child in kindergarten at MKES will indicate their interest by **February 14, 2020**.

We look forward to meeting our newest students and families in the coming weeks at kindergarten registration. If you have questions about the enrollment process and timeline, please contact your home school building principal. For other questions about DLBE and MKES as a School of Choice, please contact district administration.
