

August 15, 2019

Good Morning FLMS 7th and 8th Grade Parents/Guardians,

We are looking forward to welcoming back your children and starting another incredible year at FLMS!

Attached you will find plenty of information that will hopefully answer many of your questions. Of particular note, there have been two changes to Opening Day on September 3rd (as noted on the attached revised flyer). First, students should be at their bus stops **4 hours later than their regularly scheduled time for pick-up**. Second, students may **bring a snack to school since there is no lunch period** that day. Also, we created a **Numbers to Know** document we hope you'll keep and use for how best to communicate with FLMS in certain instances.

Enjoy the rest of the summer!

Sincerely,

Sue Ostrofsky

Principal
