

An important message from the Athletic Department

Dear Fox Lane Community,

*I hope this finds everyone safe and healthy. We wanted to share some news regarding the start of the **Fall athletics**. As per NYSPHSAA, the **fall sports start date will be delayed**. The original start date was set for August 24th, they are now scheduled to begin on September 21st. If the fall continues to be impacted by COVID-19 and we cannot safely offer interscholastic athletics starting September 21st, the state will move to a new structure where athletics will begin on January 4th. Family ID sports registration will now open starting August 27th. Any middle school student who was scheduled to take part in the APP(Athletic Placement Process) in August, those dates have been postponed and moved to September, TBD. Modified athletics are also scheduled to begin on September 21st. As our district remains closed, there should be no organized practices or off season voluntary workouts taking place on district fields or facilities until further notice.*

If you have any questions, please do not hesitate to contact the athletic office.

Adam Lodewick

Director of Health, PE, & Athletics
