Grade 2 Chromebook Request Form
2021-2022 School Year

Dear Parents and Guardians of second grade students,

Chromebooks for grade 2 students may be signed out to be taken home by your child every day, if you do not have a suitable computer in the home. By completing the form below, your child will be provided with a carrying sleeve and charger for his or her assigned Chromebook. Your child must take the Chromebook home from school and bring it to school fully charged, each day. As a reminder, use of the Chromebook in school and at home is subject to the Chromebook agreement found on the District website here: <https://www.bcsdny.org/Page/2443>

If you have a need for Internet access at home, please request an Internet Hotspot form from the school main office.

To request that your child begin carrying an assigned Chromebook home each day, please complete the form below. Once the school is in receipt of signed agreement, your child will be provided with the carrying sleeve and charger to begin taking the Chromebook home within 2-3 days.

Please return this form to your child's school main office
