

You are cordially invited to:

BCSD Elementary Literacy Night

NEW DATE: Wednesday, December 9, 2020* at 6:00 PM

**Please note that we moved the Literacy Night to December 9th, instead of December 10th, recognizing that December 10th is the first night of Hanukkah.*

Please join district and building leadership to learn more about the BCSD approach to elementary literacy.

Let's learn more about literacy instruction in BCSD

There is a lot of buzz across the nation about the teaching of early literacy. Join us to hear about the programs and approaches adopted by BCSD and how we tailor instruction to meet the needs of all learners in our classrooms. Learn the basics of how children learn to read and how skills and strategies are developed across the grades (K-5).
