Assistant Principals

Dear Fox Lane High School Juniors (Rising Seniors):

June 2022

We hope you are all doing well and enjoying the close to your junior year. As surreal as it sounds, when we return to school in the Fall, you will be returning as seniors! In looking forward to a new school year, we are certain that many of you are excited about one of the most sacred of senior privileges - parking on campus.

We will be issuing parking permits for the 2022-23 school year on a “first come, first serve” basis. Parking is limited, and we will do our best to accommodate as many of you as possible. Therefore, we will be utilizing all of the red-lined spaces in the upper senior lot, as well as the lower tennis court lot for senior parking next year. Please be aware that there are not enough parking spaces to accommodate all seniors; even if you had a junior parking pass, you must apply along with all other seniors.

In order to submit your application for a parking permit, you will be required to first [watch this video](#) and carefully review [this parking contract](#). When the [Parking Application Form](#) opens on July 1st at 12PM, you will be required to certify that you have watched the video, and that you are accountable for the information on the parking contract. On this form, eligible seniors will be asked to complete the form while being accompanied by a parent/guardian. You will be required to submit a copy of a valid NYS driver’s license or permit, and a copy of your vehicle’s registration. The \$26 payment (*check payable to Bedford Central School District*) will be made in person when parking permits are collected from Ms. Jorgensen in the Guidance office (specific dates/times to be announced at a later date).

Once the Parking Application Form is open on July 1 at 12PM, we will accept parking applications indefinitely. Once all of the permits are issued, we will begin maintaining a waiting list of students in need of a parking space. We will issue parking permits to students on the waiting list in the order in which they were received. For those students who remain on the waiting list, a parking space lottery will be redrawn monthly.

If a driver’s permit was submitted on the Form, a copy of the student’s driver’s license must be provided at the time of payment and parking permit collection. If the student does not have a driver’s license at that time, they will be placed on the waiting list in the order in which their application was received.

Permission to park on school grounds is a privilege. It is your responsibility to make sound decisions in order to maintain that privilege. Please read over the contract and the requirements carefully so that we can ensure a safe environment for all who park their vehicles on school grounds.

Our best wishes to you for a happy and successful senior year.

Sincerely,

Mr. Spector
